

9.108-2 Relationship with the Internal Revenue Code and Treasury regulations.

(a) Inverted domestic corporations are covered not only in the Department of Homeland Security statute at 6 U.S.C. 395, but also are similarly covered in the Internal Revenue Code at 26 U.S.C. 7874. A foreign corporation is treated as an inverted domestic corporation for U.S. Federal income tax purposes, rather than as a foreign corporation, if—

(1) At least 80 percent (80%) of the stock is now held by former shareholders of the domestic corporation or partners of the domestic partnership; and

(2) The foreign entity plus companies connected to it by 50 percent (50%) or more ownership do not have substantial business activities in the foreign country.

(b) A foreign corporation that is treated as an inverted domestic corporation for U.S. Federal income tax purposes, is also treated as one for purposes of this section.

(c) A foreign entity that escapes the tax consequence of 26 U.S.C. 7874 only because the inversion transactions were completed on or before the March 4, 2003, date in section 7874, is nevertheless treated as an inverted domestic corporation for purposes of 6 U.S.C. 395 (which does not have a limiting date) and therefore also for purposes of this section.

9.108-3 Prohibition.

(a) Section 743 of Division D of the FY 2009 Omnibus Appropriations Act (Public Law 111-8) prohibits the use of 2009 appropriated funds for contracting with any foreign incorporated entity that is treated as an inverted domestic corporation, or with a subsidiary of such a corporation. The same restriction was also contained in the Fiscal Year 2006 through 2008 appropriations acts. In order to be eligible for contract award when using Fiscal Year 2006 through Fiscal Year 2009 funds, an offeror must represent that it is not an inverted domestic corporation or subsidiary. Any offeror that cannot so rep-

resent is ineligible for award of a contract using such appropriated funds.

(b) Contracting officers should rigorously examine circumstances known to them that would lead a reasonable business person to question the contractor self-certification and, after consultation with legal counsel, take appropriate action where that questionable self-certification cannot be verified.

9.108-4 Waiver.

Any agency head may waive the requirement of subsection 9.108-3 for a specific contract if the agency head determines in writing that the waiver is required in the interest of national security, documents the determination, and reports it to the Congress.

[74 FR 31563, July 1, 2009]

9.108-5 Solicitation provision.

When using funds appropriated in Fiscal Year 2006 through Fiscal Year 2009, the contracting officer shall include the provision at 52.209-2, Prohibition on Contracting with Inverted Domestic Corporations—Representation, in each solicitation issued after July 1, 2009 for the acquisition of products or services (see FAR 52.212-3 for solicitations issued under Part 12), unless waived in accordance with FAR 9.108-4.

9.200 Scope of subpart.

This subpart implements 10 U.S.C. 2319 and 41 U.S.C. 253(e) and prescribes policies and procedures regarding qualification requirements and the acquisitions that are subject to such requirements.

9.201 Definitions.

As used in this subpart—

Qualified bidders list (QBL) means a list of bidders who have had their products examined and tested and who have

[50 FR 35476, Aug. 30, 1985, as amended at 53 FR 34227, Sept. 2, 1988; 66 FR 2128, Jan. 10, 2001]

9.202 Policy.

(a)(1) The head of the agency or designee shall, before establishing a qualification requirement, prepare a written justification—

(i) Stating the necessity for establishing the qualification requirement and specifying why the qualification requirement must be demonstrated before contract award;

(ii) Estimating the likely costs for testing and evaluation which will be incurred by the potential offeror to become qualified; and

(iii) Specifying all requirements that a potential offeror (or its product) must satisfy in order to become qualified. Only those requirements which are the least restrictive to meet the purposes necessitating the establishment of the qualification requirements shall be specified.

(2) Upon request to the contracting activity, potential offerors shall be provided—

(i) All requirements that they or their products must satisfy to become qualified;

(ii) At their expense (but see 9.204(a)(2) with regard to small businesses), a prompt opportunity to demonstrate their abilities to meet the standards specified for qualification using qualified personnel and facilities of the agency concerned, or of another agency obtained through interagency agreements, or under contract, or other methods approved by the agency (including use of approved testing and evaluation services not provided under contract to the agency).

(3) If the services in (a)(2)(ii) above are provided by contract, the contractors selected to provide testing and evaluation services shall be—

(i) Those that are not expected to benefit from an absence of additional qualified sources; and

(ii) Required by their contracts to adhere to any restriction on technical data asserted by the potential offeror seeking qualification.

(4) A potential offeror seeking qualification shall be promptly informed as to whether qualification is attained and, in the event it is not, promptly furnished specific reasons why qualification was not attained.

(b) When justified under the circumstances, the agency activity responsible for establishing a qualification requirement shall submit to the competition advocate for the procuring activity responsible for purchasing the item subject to the qualification requirement, a determination that it is unreasonable to specify the standards for qualification which a prospective offeror (or its product) must satisfy. After considering any comments of the competition advocate reviewing the determination, the head of the procuring activity may waive the requirements of 9.202(a)(1)(ii) through (4) above for up to 2 years with respect to the item subject to the qualification requirement. A copy of the waiver shall be furnished to the head of the agency or other official responsible for actions under 9.202(a)(1). The waiver authority provided in this paragraph does not apply with respect to qualification requirements contained in a QPL, QML, or QBL.

(c) If a potential offeror can demonstrate to the satisfaction of the contracting officer that the potential offeror (or its product) meets the standards established for qualification or can meet them before the date specified for award of the contract, a potential offeror may not be denied the opportunity to submit and have considered an offer for a contract solely because the potential offeror—

(1) Is not on a QPL, QML, or QBL maintained by the Department of Defense (DOD) or the National Aeronautics and Space Administration (NASA); or

(2) Has not been identified as meeting a qualification requirement established after October 19, 1984, by DOD or NASA; or
